The Southside Community Center offers free year-round programs, activities, and homework help to all youth ages 5 to 18. We serve a free snack right after school and free dinner at 5:00pm. Program hours end at 6:00pm.

Medical Emergency: The Southside Community Center has permission to treat your child in case of an emergency, including calling an ambulance. It is your responsibility to inform and update the Southside Community Center of any allergies or medical concerns in writing.

Drop-In: The Southside Community Center is a “drop-in” center, and we cannot force your child to stay on the property. You are responsible for discussing with your child where they can and cannot go, and whether or not they may leave without an adult. The Southside Community Center is not responsible for lost or stolen property.
